

Dear F.A.N. Club Members and Friends of Forester Athletics,

We are pleased to invite you to participate in the 2023 F.A.N. Club Golf Outing. This summer's outing, on June 16th, will again be held at White Deer Run Golf Club in Vernon Hills, Illinois. Our hope is that you will be able to join us for this special event and that it is also a beautiful and sunny day!

Funds raised at the outing are incredibly important to Forester athletic success. Team uniform and equipment purchases, student-athlete/alumni programming, and facility upgrades are all supported annually by proceeds generated through this signature event. Your support will make a difference for every program, every coach, and each and every one of our student-athletes.

This is also a day that our coaches and staff look forward to as we gather close friends and supporters of our athletic program to celebrate the success of our department and camaraderie that exists amongst our Forester Family so whether you can join us on the course, for the 19th hole reception, or by sponsorship, we will be proud and grateful as always to have your support. It is our goal to make this year's annual outing – our 28th – one of the best yet.

Thank you in advance for your support and for helping us maintain and enhance our longstanding Tradition of Excellence in Forester Athletics – and as always, GO FORESTERS!

Director of Athletics

Athletics has always been a great tradition at Lake Forest College, and in the spirit of that tradition, the athletic department invites you to join the Forester Athletic Network (F.A.N. Club) – an organization whose members are dedicated to supporting Forester student-athletes and programs initiated by the athletic department at Lake Forest College. Established in 1995, the mission of the F.A.N. Club is to promote school spirit, increase attendance at sporting events, and build enthusiasm for Forester Athletics. The F.A.N. Club also hosts social activities, supports athletic alumni outreach, and keeps members informed about upcoming events, season results, and other Forester Athletic news. Further, the F.A.N. Club raises funds for special initiatives (uniforms, equipment, recruiting, etc.) that enhance the College's student-athlete experience, our athletic programs, and facilities.
